Output Power	117kw @ 3500rpm
Torque	400Nm @ 2750rpm
Transmission	Auto
GVM	4400kg
Licence	Standard
Towing Capacity	2,100kg

WHAT OUR CUSTOMERS HAVE TO SAY

Our Birdsville is everything we wished for. We are very pleased with the colour scheme we chose and surprised by how much room there is with the slide out, and how much storage we have. We have also been impressed with the technology. Switching from 12v to 240v, and from gas to electricity is seamless. We added an additional solar panel and battery so that we could stay longer off grid.

- Mark and Wendy, Maroochydore Qld

We're looking forward to seeing the best our country has to offer and can't say there's a better way than travelling in our five star home on wheels. Well done Avida!

- Vicki Gumeracha SA

We are delighted with our new Avida Birdsville. The slide out gives us plenty of room and floor space and is ideal for travelling with our two dogs. The bathroom is roomy and there are heaps of cupboards and lots of bench space and a decent sized sink. I love the slide out pantry too.

- Catherine, Isaacs ACT

My home my freedom ... my life! After selling my home of 25 years, the choice of an RV life appealed to me on so many levels. Owning an extremely busy café, I can now get away on my days off and enjoy my life.

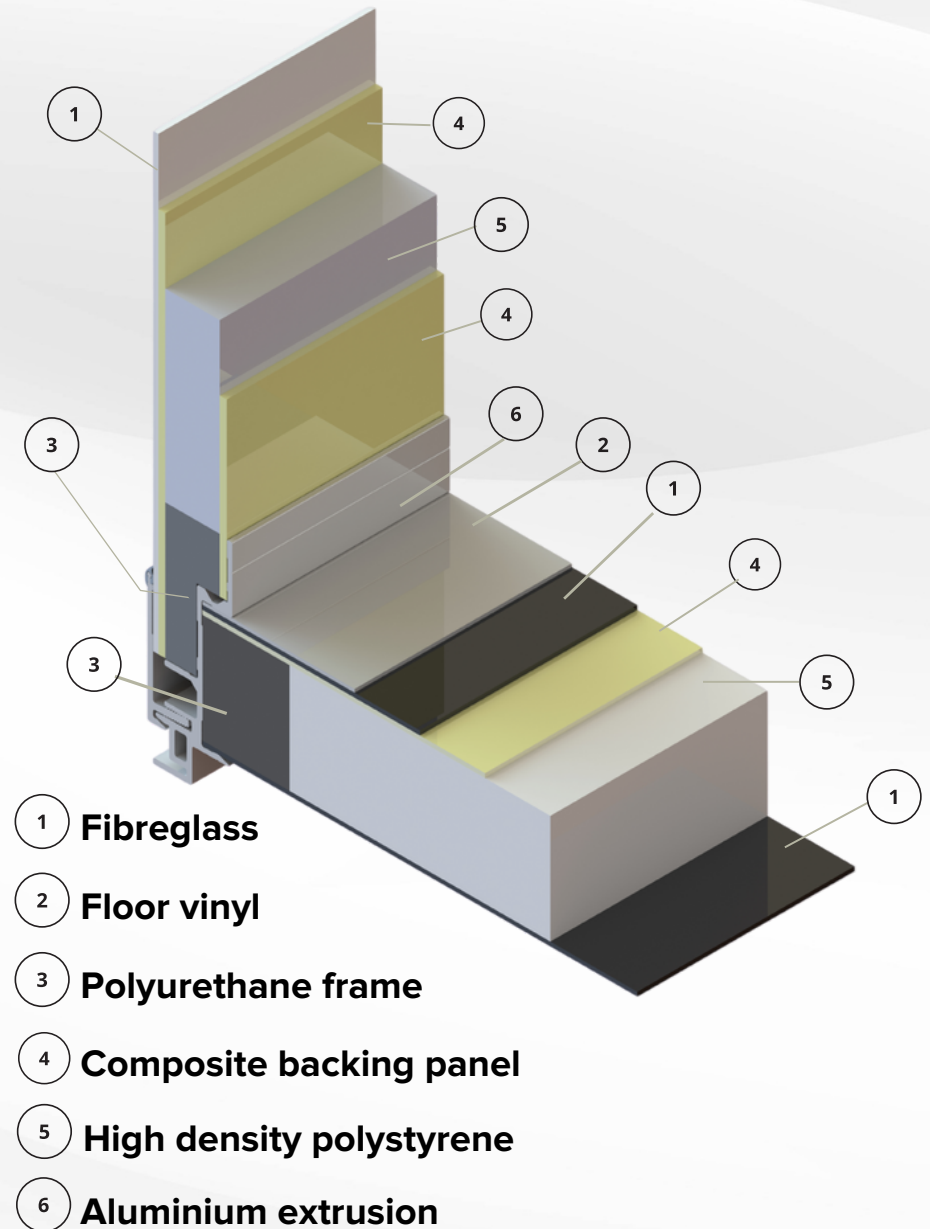

- Sue, Huskisson NSW

Avida is a family owned business and has been manufacturing RVs in Australia since 1965. The Birdsville range launched in 2007 as the Winnebago Birdsville and today the Avida Birdsville is built using Avida's unique sandwich panel construction with a one-piece floor, walls and roof. You can view the Avida Birdsville with a large slide out at your local Avida dealer or take a virtual 3D tour on the Avida website.

AVIDA'S UNIQUE SANDWICH PANEL CONSTRUCTION:

- | | |
|---------------------|---|
| U pstanding | • Walls fixed to the top of the floor, not the side |
| N otable | • One piece floor, walls & roof construction |
| I mpressive | • Strong enough to walk on the roof |
| Q uality | • Long lasting easy to clean surfaces |
| U nbreakable | • Dent & hail resistant fibreglass finish |
| E nvironment | • High insulation rating |
