DISCOVER the Avida History

*Australian made
since 1965*

Avida is a family owned business that commenced manufacturing in Australia in 1965, with the formation of Freeway Camper Company. From 1978 to 2013 Avida manufactured motorhomes, campervans & caravans under the name of Winnebago Industries, where we were famous for Winnebago motorhomes like Leisure Seeker, Birdsville and Esperance. Today, Avida still remains in the hands of the original family, where we employ and support hundreds of Australians at our huge 10 acre site in Western Sydney NSW. Not only do we continue the tradition of the Avida Birdsville and Esperance, we have also expanded our range of motorhomes and caravans.
